

FLAMBOROUGH HILLS

• What a day will look like •

We would like to give you some insight into what your day on the course will look like as we adapt to the new world of golf. As always, the safety of you and our staff is our first priority. Below are just a few changes you will see.

WHAT WILL BE DIFFERENT?

All measures put in place will be based around maintaining a safe physical distance at ALL times which is mandated by the government as 2 metres | 6 feet. We have increased sanitation of public spaces and commonly touched areas for your safety.

ARRIVAL

We request that you arrive at Flamborough Hills no more than 15 minutes before your tee time. Please bring your golf clubs with you to check in.

CHECKING IN

Only one person will be allowed in the pro shop at a time. Please note that we will not be accepting cash during this time throughout the whole golf course.

CART RENTALS

Power carts will be disinfected between use. We have installed cart dividers in our power carts meaning that you can now ride alongside your playing partner safely. We have carts available for those who reside in the same household without dividers. Pull cart rentals are available upon request.

TEEING OFF

Once you have checked in, you will be guided down a one way walkway towards the first tee. The starter will direct you from there. Our putting green is now available to use 5 minutes prior to your tee time. Carts will be staged by the first tees and will be designated by the starter when ready. Scorecards and pencils will be handed out by the starter upon request only.

CLUBHOUSE ACCESS

The clubhouse will remain CLOSED with the exception of the washrooms (Located at the main entrance). Any members who have items currently in their lockers please get in touch with a member of staff to arrange a time for collection of your belongings.

FOOD AND BEVERAGE

Food and beverage will be available for take out or dine-in on our beautiful patio starting at 9am. You can access our menu through our website and phone in your orders at the start of the 9th hole. Please be reminded that outside alcoholic beverages are **NOT** permitted at Flamborough Hills.

THE COURSE

You must maintain physical distancing on the course at all times. Which unfortunately means no high 5's, handshakes or big bear hugs. Foam inserts have been placed inside the hole to allow for contactless retrieval. All benches, ball washers and rakes have been removed from the course.

POST PLAY

You can now join us on our patio after your round for a cold beverage and food. We ask that you remove and take home all garbage you may have collected during your round. Please do not congregate in the parking lot or around the clubhouse after your round.
